

Family & Lifetime Membership

Family Membership

Membership in Summit Credit Union is a benefit that extends far beyond the realm of a normal employee benefit because it includes your family members. Your family members are eligible to join — parents and grandparents, children and grandchildren, brothers and sisters, aunts and uncles, nieces and nephews, cousins, and even anyone living at your legal residence. They can all take full advantage of membership in Summit Credit Union.

Family members have full rights of membership — they can open savings accounts, FREE checking accounts, apply for loans, and so on. You don't have to be joint on their account, except for minor children, who will need a responsible adult to act as co-owner/ guarantor on the account.

Joining is as easy as 1, 2, 3!

Family members can join:

1. Online at our website www.summitcu.org. Just start an application and our Member Service department will mail the forms needed to complete your membership.
2. By calling us toll free. Our Member Service Call Center is available from 8:00 a.m. until 6:00 p.m. every business day. Just call 800-632-0210 and we will put the necessary forms in the mail.
3. By visiting any branch office. We have all the necessary membership forms at our branch offices. Just stop by and apply.

Note that a \$5 balance in a regular savings account is required to maintain membership.

Documents Needed to Join

To complete the membership application process, new family members will need the following when they join:

- A copy of their Social Security Card (or other documents with their SSN on it),
- A copy of a current driver's license (or valid state-issued ID card),
- An Affidavit verifying membership eligibility,
- A \$5 initial deposit and
- Signature on the application.

Lifetime Membership

Once you become a member, including family members, you can maintain your membership for life, even if you leave your employer or fall out of grace with the family member that made you eligible.

Just maintain the \$5 minimum savings balance and membership is yours for life.
