

Enjoy ScoreCard Rewards with your Visa Platinum Rewards Card, from your Credit Union

What is ScoreCard Rewards?

ScoreCard is the rewards program offered through your Visa Platinum Rewards Card. For every qualifying net dollar you spend, you earn a reward point. You can then turn your reward points into incredible Gift, Travel, or Experience awards!

How it works

It's simple. Just use your Visa Platinum Rewards Card! You earn points based on your qualifying net purchases (purchases minus returns and/or other related credits). You can then use those points towards award redemptions.

Points are earned as long as your account is in good standing (that is, not delinquent, in default, closed, canceled, blocked, suspended or otherwise inactive and not available for use as a source of funding).

You do not earn points for cash advances, balance transfers, unauthorized or fraudulent charges, or for fees of any kind on your card account. Credits to your account (such as for returns of purchases) will reduce the points available in your account.

Accessing your ScoreCard rewards

Visit www.scorecardrewards.com to set up your profile with a username and password. You will also be asked to set up security question and answers for password retrieval.

Once you have created your profile, you will be able to login with your username and password at any time. You can find your point balance on the left side of the home page. You may also browse the rewards site by clicking on the "Browse Catalog" link from the login page.

Earn More!

Earn more points by taking advantage of special ScoreCard promotions throughout the year. You can learn about special promotions by visiting www.scorecardrewards.com.

Redeeming points for awards

You may order awards anytime as long as your account is in good standing (that is, not delinquent, in default, closed, canceled, blocked, suspended or otherwise inactive and not available for use as a source of funding) and you have enough points to redeem the requested award merchandise item.

You can order merchandise awards using the online shopping feature at www.scorecardrewards.com. You can also call customer service at (800) 854-0790 and request a catalogue be mailed to your address or order merchandise over the phone.

A printable order form can be found on the website. Simply complete the form, including all information requested, and mail to the address printed on the form.

Rewards redeemed for travel can be used even if you do not have enough points for the entire amount of the purchase. You can redeem your banked points towards the balance price of a travel package and pay the remaining amount for the travel package with your Summit Rewards card.

Travel awards, airline tickets, vacation packages, and cruises may be ordered by calling and speaking with a Travel Services Representative. You may also use the online travel booking site to obtain select air awards. In addition, you may purchase additional airline tickets and make car and hotel reservations online. If you prefer, a Travel Services Representative can assist with booking both redeemed awards travel items as well as your additional purchased travel needs.
