

Automatic payments from your TPFUCU Checking Account will NOT automatically transfer to SCU

Preauthorized payments drafted from your checking account for recurring payments (utility bills, gym membership, insurance premiums, etc.) will NOT automatically transfer to your new SCU checking account because SCU's routing number is different from TPFUCU's and you have been assigned a new checking account number (see below).

Use the preprinted forms below to notify all your payees so that payments can continue without interruption beginning October 1. Please duplicate this form if you need additional payee notification forms.

Notice of Change in Checking Account and Routing Numbers
